

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

August 6, 1997

Stephen Dorn, Esq.
Dorn & Associates, P.C.
32 Court Street, #10
Brooklyn, New York 11202-4404

RE: MUR 4648

Dear Mr. Dorn:

Enclosed are the packages of materials sent to Dorn & Associates, P.C. and the Kings County Republican Party by the Federal Election Commission ("the Commission") on June 23, 1997. These are the materials I described to you in our telephone conversation of yesterday, August 5, 1997. As you can see by the enclosed copies of the certified mail return receipts, these packages were received in your offices on July 1, 1997 and were signed for by Richelle Selvin.

Each package contains a Factual and Legal Analysis describing the bases for certain findings by the Commission that there is reason to believe Dorn & Associates, P.C. and the Kings County Republican Party each violated certain provisions of the Federal Election Campaign Act of 1971, as amended. In addition, each package contains a Subpoena to Produce Documents and Order to Submit Written Answers requiring the submission of certain information to the Commission.

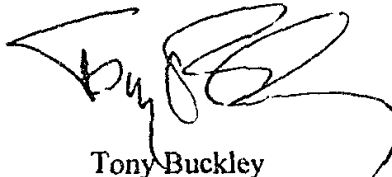

Responses to the Subpoenas and Orders were to be received by this Office no later than 30 days after your receipt of them, i.e. no later than the close of business on July 31, 1997. As of this date, August 6, 1997, we have not received a response to either Subpoena and Order.

Although you stated to me yesterday that you had never seen either package, as noted above our records indicate they were received at your offices on July 1, 1997. Given the

unusual circumstances, this Office is willing to allow you an additional two weeks in which to submit responses to the Subpoenas and Orders. Such responses should be received in this Office no later than the close of business on August 21, 1997.

If you have any questions, please contact me at (202) 219-3690.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tony Buckley', with a large, sweeping flourish extending to the right.

Tony Buckley
Attorney
